

## **Parent Volunteers at Wentworthville Public School.**

At Wentworthville Public School we welcome parent involvement both inside and outside of the classroom. We are a large school community with a Parent & Citizens association that would most definitely appreciate the assistance of extra hands to lighten the volunteer workload.

Students also further develop a sense of community and pride when they see their parents also supporting the school.

Please see below the requirements for volunteering your time to our school either in the classroom or via Parents and Citizens Association.

- ❖ Parents or close relatives of a child who volunteer at their child's school are usually exempt from requiring a WWCC clearance, regardless of whether they are engaged in child-related work. This includes those engaged by the P&C.
- ❖ The parent does not require a Working With Children Check
- ❖ The school must sight one form of photo ID with the person's full name, date of birth, current address, and photo).
- ❖ The person must show a photo ID when signing in.
- ❖ The person must complete a Declaration for Child-Related Workers. Those exempt from the WWCC requirement should complete all relevant sections in this declaration, including part 1, part 3 and part 4 (section C).
